

Carlow Regatta 2023

Saturday 3rd and Sunday 4th June 2023

PROGRAMME OF EVENTS

*'But each time the blades
of the oars touched the water,
it sounded as though they were whispering
peace, peace, peace.'*

Philip Kuepper

A warm welcome awaits all the athletes, coaches, and supporters to Carlow Rowing Club this weekend.

If it's your first time or you're an old friend returning be assured, we will do everything we can to make your regatta a memorable and enjoyable experience.

I would like to thank Michael Curran for, once again, organising and supporting the many volunteers who are involved. The regatta could not happen without them. We very much appreciate those who give their time annually and those who are volunteering for the first time this year.

A particular mention to the race-starters, umpires and stewards and to the volunteers in the refreshments area. Hot and cold food is available in the Gym in the club at unbeatable prices.

This event cannot take place without our generous sponsors including Carlow Credit Union who have taken on the premier sponsor's role this year – a very sincere thank you to all.

Finally, thanks to the Order of Malta and Civil Defence who provide safety and first aid support throughout the weekend.

If you have any problems over the weekend please do not hesitate to contact myself, Michael Curran or Seamus Scully and we will do all we can to help.

Looking forward to the weekend and our big celebration next year for our 175th event.

Yours in rowing.

Sean Jones

President, Carlow Rowing Club.

Saturday 3rd June 2023

RACE NO.	TIME	HEAT	EVENT	1 CARLOW STATION	2 GRAIGUECULLEN STATION	NEXT RACE

In the Fractured Hours

I realized it was a phenomenon

isolated in the moment

it was happening.

But each time the blades

of the oars touched the water,

it sounded as though they were whispering

peace, peace, peace.

And I thought how sweet were it to catch hold

beyond the moment

By Philip Kuepper
