Club Trailers will have to be in situ for Shandon and Lee by 7am on Saturday 2nd March. This is a public car park and we are unable to guarantee any space so we are asking that all trailers arrive early.

We are advising that all other cars are parked on the Monaghan Road side of Supervalu Paric Uí Caoimh as there is no parking on the Marina. There may be some parking at Supervalu Paric Uí Caoimh and that is on the Marina side.

The road outside Lee where there is normally space is now closed as there are construction works going on and it is a building site. Vehicular access to Lee and Presentation Rowing Clubs is not possible.
