

Kenmare Offshore Regatta

Kenmare Rowing and Boat Club will be hosting a combined Junior, Masters and Senior Offshore Regatta on September 14th in Kenmare Pier, Co. Kerry.

Juniors and masters will race the 2KM course and Seniors will race 4KM. We are using the 2KM course from regatta 2023 so 4KM races will turn at the head of the pier (finish line) back out to start lap 2 which we hope to make the regatta an exciting spectacle to watch and take part in.

Entries are open on tracker and will close at 19:00 on Wednesday, September 4th. No entries can be accepted after this time as Tracker will automatically lock the event down. We are asking all clubs to have their entries in by Friday, August 30th. This 'soft' deadline will allow us to plan the regatta schedule and have all information out to the clubs as quickly as possible. All clubs must ensure to declare rowers for Wednesday September 11th.
