

Lagan Head of the River 2022

CORONAVIRUS ARRANGEMENTS

Belfast Rowing Club will implement appropriate arrangements to minimise the transmission of coronavirus during the event. **All participants, volunteers, race officials and spectators must abide by these.** Please distribute this information to everyone travelling to the event from your club.

To reduce the risk of the spread of Covid-19:

- Hand sanitation stations and hand-washing facilities will be available.
- Access to the BRC boathouse will be limited to using toilet facilities only. Changing rooms will be closed - please arrive ready to race. Portaloos will also be available outside.
- Follow the one-way system for movement through the boathouse. Individuals should enter via the upstairs balcony and exit by the front door. (This will be clearly indicated by signage) If you cannot enter the boathouse or toilet areas without maintaining social distance, wait until others have left.
- Observe social distancing of at least one metre indoors (masks should also be worn) and this is also advised outdoors. Suitable precautions should be taken if this cannot be achieved.
- The event committee has appointed a Covid Officer for the event who will monitor activity and ensure these arrangements are implemented and followed.
- All clubs must appoint a Covid Officer to help ensure their members abide by these arrangements.
- Follow all Public Health and Rowing Ireland guidelines regarding coronavirus.

Additionally, each club must provide Belfast Rowing Club with a signed declaration (a Rowing Ireland covdoc2 form) confirming that a coronavirus health screening has been conducted and that, to the best of the Club Covid Officer's knowledge, everyone travelling to the event (e.g., participants, coaches, spectators, volunteers) are not suffering from or displaying any signs or symptoms of Covid-19. Please send completed covdoc2 forms to entries@belfastrowing.com by 19:00 on Thursday 20th January.

CLUBS WHO DO NOT RETURN A DECLARATION BY THE DEADLINE ABOVE WILL NOT BE PERMITTED TO ATTEND THE EVENT.
