Clubs launching only from Stewarts (above ) car park ( see map) . Stewarts carpark is 5 min walk to round o carpark launching area and is just on the other side of the bridge. All these crews once launched should bring their trailers to the Round O Carpark as they will be landing at the Round O carpark when race is finished. They will not be going back up through the bridge.

## Map of Launching areas

**Enniskillen Royal Boat club**

**Round O Carpark**

(2 min walk to ERGS)

**Stewarts Carpark (5min walk to Round O)**

**Both Round O and Stewarts carparks are massive areas for launching and parking. Please follow Stewarts instructions**

**and leave all trailers pointing to the exit and rig boats behind trailers so that you can then just walk out onto the jetties and launch. All rowers should NOT leave any shoes on the jetty as they will be returning to a different jetty following the race.**

**Once all crews from starts carpark have launched clubs should then bring their trailers to the Round O for loading up.**
