

NEWRY MINIHEAD – SLIPWAYS, TIMETABLE AND LAUNCHING TRAFFIC PATTERNS

Launching schedules for Race 1 and Race 2 are set out below together with a schematic showing the traffic patterns for crews leaving the slipways. There will be four slipways in operation:

- The Wooden Jetty on the estuary side of the site
- A Grey Pontoon adjacent to the Wooden Jetty
- A Blue Pontoon on the canal side (for launching eights)
- A smaller Green Pontoon on the canal side (small boats only)

Please follow the instructions of all marshals and slip stewards and please stick to the launching timetable. Note your launch time and be ready to make your way to your designated slip promptly, with oars and all other required equipment.

After launching stay in the traffic pattern and take care when rowing round into the canal from the Wooden Jetty and Grey Pontoon. **Keep to the right (road) side of the canal on the way to the start.**

Launch Times Race 1

No.	Event	Crew	Slipway	Launch Time
