

Vehicle & Clean-Up Policy – Beach Access

To protect the beach environment and ensure the safety of all participants:

- No cars, jeeps, or personal vehicles are permitted to remain on the beach.
- Clubs may drop trailers at the designated unloading area but must then immediately move their vehicle to the car park.
- Only the Regatta Committee will be permitted to have vehicles on the beach.

Each club is responsible for cleaning up their area before departing. This includes removing rubbish, equipment, and any other items brought to the site.

Your cooperation helps us run a safe, respectful, and environmentally responsible event.
