

NEPTUNE ROWING CLUB

NEPTUNE REGATTA 2025 TIME TRIAL INFORMATION

Dear Captain/Secretary,

Given the large entry of single sculls at Neptune Regatta 2025, 1000m time trials will be held for the following sculling events on Saturday morning in lieu of heats:

- Time Trial 1 – 7:45am
 - M Jnr 18 1X
 - W Jnr 16 1X
- Time Trial 2 – 3:05pm
 - M Inter 1X
 - W Jnr 18 1X
 - M Jnr 16 1X
 - M Masters 1X

The fastest four scullers from each category will be entered into the main draw. Bow numbers will be provided to each competitor and will be available to collect from Neptune boathouse from 6:30am. Each individual's bow number is attached in the table below.

The start of the time trial will be the first fishing platform after the "Boohouse" Bend. The finish of the time trial will be in between the Neptune and the Commercial slip

- For Time trial 1, scullers should be above the start at least five minutes before the start of their time trial (i.e. 7.40am). No sculler will be let leave the slip after 7.25am.
- For Time trial 2, scullers should launch when they are instructed to do so by either the slip marshal or public address. You will be given sufficient time to get above the start before the time trial begins.

Attached below please find traffic patterns for before and after the time trial which must be adhered to.

Yours in rowing,

Mark Connolly

NEPTUNE ROWING CLUB

Below represents the staging pattern behind the Start for crews in the time trial sections of the Regatta. Once crews have made their way past the stake boats at the regatta start, they will be assigned a position to hold according to their race number. **Crews must go to that position and stay there Keeping their bows pointing upstream until they are called for their time trial.** Crews will be called to the start in number sequence so please anticipate this and remove and stow any kit that you will not be racing in before you are called.

Crews! Before you start building up to racing speed (1) Wait until you have past the Stake Boats (2) Check your line down the course before you start building up. Otherwise you are likely to either hit the bank or waste a huge amount of energy correcting your course.

Numbers shown on this graphic will be signposted on the bank. Marshalls on the bank will advise crews and manage this system. PLEASE FOLLOW THEIR INSTRUCTIONS as a failure to do so might result in your being assigned a time penalty.

BELOW IS THE TRAFFIC PATTERN THAT MUST BE OBSERVED BY CREWS TAKING PART IN A TIME TRIAL ONCE THEY HAVE CROSSED THE FINISH LINE.
