

NEWRY HEAD 2023 – SLIPWAYS, TIMETABLE AND LAUNCHING TRAFFIC PATTERN

Launching schedules for Race 1 and Race 2 are set out below together with a schematic showing the traffic patterns for crews leaving the slipways. There will be four slipways in operation:

- The Wooden Jetty on the estuary side of the site
- A 'Middle' Grey Pontoon adjacent to the Wooden Jetty
- A second 'End' Grey Pontoon on the estuary side
- A smaller Green Pontoon on the canal side (for 1X only)

Please follow the instructions of all marshals and slip stewards and please stick to the launching timetable. **Note your launch time and be ready to make your way to your designated slip promptly, with oars and all other required equipment.**

After launching stay in the traffic pattern and take care when rowing round into the canal from the Wooden Jetty and Grey Pontoons. **Keep to the right (road) side of the canal on the way to the start.**

CLUB NOTES
