

2024 Cork Regatta Finals

Due to a large entry expected and the time constraints of the regatta we will only run A and B Finals for the Grand League Events. There will be no C Finals. This is instead of restricting the number of entries for each event.

Should any category fail to make the finals, the winner of these categories will decide based off the initial heat times. For example, should no J16 1x make an A or B final, the fastest J16 1x time from the heats will be awarded the win.
