

# **2024 Cork Regatta J14, J15 and Master Events**

All J14, J15 and Master events will be 1000ms. This is to allow these athletes to prepare for the 1km classic.

The Masters events will run from the start to the 1000m line to accommodate the different starts times in each race.

The J14 and J15 events will run from the 1000m line to the finish. These athletes must proceed to the 500m line, turn their boats, line up in their lanes, and then make their way back to the 1000m start line. It is imperative that coaches explain this to their athletes before launching.
