RE: Addition of Men's and Women's J16 2x

Following a proposal from Tralee Rowing Club, the Championships Committee has decided that J16 Men's and Women's double scull will be added to the Championships Schedule. As is the case with the other J16 events, these events will not be considered Championship events but will be raced over the 2km course.

The J16 Men's 2x will be added in the Saturday morning session.

The J16 Women's 2x will be added in the Saturday evening session.

A limit of 2 entries per club in this event will apply.
