

Portadown Regatta 2023 Saturday 29 April

(Entries Close Wed 19 April at 7.00pm sharp)

The following overarching rules apply to all age categories and races in the regatta.

These are to enable the event to take place over a single day, without a very early start nor late finish!

- 1. All Clubs are limited to entering a maximum of 2 boats per race category.** (for example the J14 boy's quad race can only have a maximum of 2 crews entered from any one club).
- 2. All Rowers may enter only 2 events in total.** *They must choose 2 from either 1x and 8+ or 2x and Quad/Four.*
- 3. All Rowers MUST stay in one age category.**
- 4. All Clubs MUST have enough boats to enable them to row consecutive races without the use of the same boat.**
- 5. Please be aware:**
 - a. *Time trials may be needed for very large entries.*
 - b. *Entries may be refused if rules 1,2 & 3 are broken.*
 - c. *Crews may be **disqualified** from races should a club not adhere to rule 4 on the regatta day.*
 - d. *All J14 and J15 races will be straight finals. In the event of an odd number of crews the fastest "losing crew" will race the boat without opposition.*
