

IRISH SCHOOLS REGATTA 2025

O'Briensbridge, Co. Clare

Dear Captain/Secretary,

Many thanks for your entry for the Schools Regatta. We look forward to providing you with some excellent racing on the day.

I would like to draw your attention to the following:

- **Declarations for all races must be made through Tracker before 19:00 on Thursday 24th.** [The declarations on Tracker open 48 hours before the cut-off time]. Failure to do so will result in the removal of the crew/sculler from the starting list. (See separate doc for instructions)
- For those with smartphones, the draw & results will be available @ [Draw Link](#) throughout the day.
- In the interest of identification, we would ask that all schools wear their distinctive school colours
- Bow numbers will be in use – they will be distributed at the slip - no deposit required.
- Due to the large entry the following will apply:
 - J14 & J15 events will have multiple finals. The winners of each final will receive prizes
 - Other events with more than 16 entries will have a time trial to determine which crews qualify for the final. NB – events currently listed as time trials may change to heats if the numbers competing drop to 16 or less after declarations.
- Junior 14 events will be flying starts finishing at the normal finish. The crews should proceed beyond the normal start (past the barge) to wait for their race. When called they should move onto the course in their lane but should not attach to the stakeboats. They will then paddle to the 1000m mark for a flying start.
- There is a trophy for the best overall club and pennants for the best overall club and the clubs with the best male and female results. See separate document on the Schools page on Tracker regarding calculation of points.
- The regatta field will be open from early on Friday morning and security will be in place on Friday and Saturday nights.
- Parking Restrictions will apply in the regatta field and the approach road. We suggest parking before the village (far side of the bridge) and to walk the pathway along the riverbank to the regatta enclosure. Distance 400m. Busses must be moved after drop-off. We would recommend that bus-drivers park at the Applegreen Service Station in Birdhill which has full services.
- Catering will be provided throughout the day
- Please pay entry fees in advance using the details at the bottom of this letter.

If you have any queries please contact me.

Yours in rowing,

Ciara Davis

Regatta Secretary
