Re: Irish Rowing Championships 15th, 16th & 17th July 2022 – Prospectus

You are invited to participate in the 2022 Championship Regatta at the National Rowing Centre. In accordance with the rules of Rowing Ireland, the Championship Regatta is a Full Status Regatta.

Entry: Entries must be made through Tracker by 19:00 on Wednesday 6th July. Payment must be made in full before the close of entry.

Entry Fees: Entry fees for the 2022 Championships are €16 per seat (incl cox) for all Championship events, with entries fees for non-Championship events being €11 per seat (incl cox). Payment of entry fees may be made by debit/credit card using the link at the bottom of the Rowing Ireland website. If not paying electronically, please note that your complete entry fee must reach the office of Rowing Ireland at the NRC no later than 19:00hrs on Wednesday 6th July.

Eligibility: Races will be run under Rowing Ireland rules and entries will only be accepted from Clubs which were affiliated to Rowing Ireland on 1st March, in respect of athletes who were registered with Rowing Ireland, for the relevant club, on 1st June.

Draw: A timetable will be published shortly after entries close following the random draw performed by Tracker.

Declarations: Please note that at the regatta, the Captain or a representative of the club, must declare each crew at the Captain's meeting the evening before the relevant event. Failure to do so will result in the non-inclusion of non-declared crews.

Format: For events with more than six and less than nineteen entries, there will be heats. For events with nineteen or more entries, time-trials will be utilised with the fastest six crews/scullers progressing to the final. Events with six or less entries will be straight finals.

Para Races: A large number of Para Championship races are being offered. As it is likely we will only see entries in a few these events, we have not included them in the sequence of events below but will schedule them once it is determined what entries are received.

Junior 16 Races: These events which are not Championship events will consist of heats/time trials and finals. Events that consist of more than six entries will have medals awarded to 1st, 2nd and 3rd place.

Clubs should ensure that they have sufficient equipment for all entries and should not enter crews in multiple events which are likely to clash as the timetable will not be altered in such circumstances.
