Fees

€10 per adult seat

€5 per junior seat

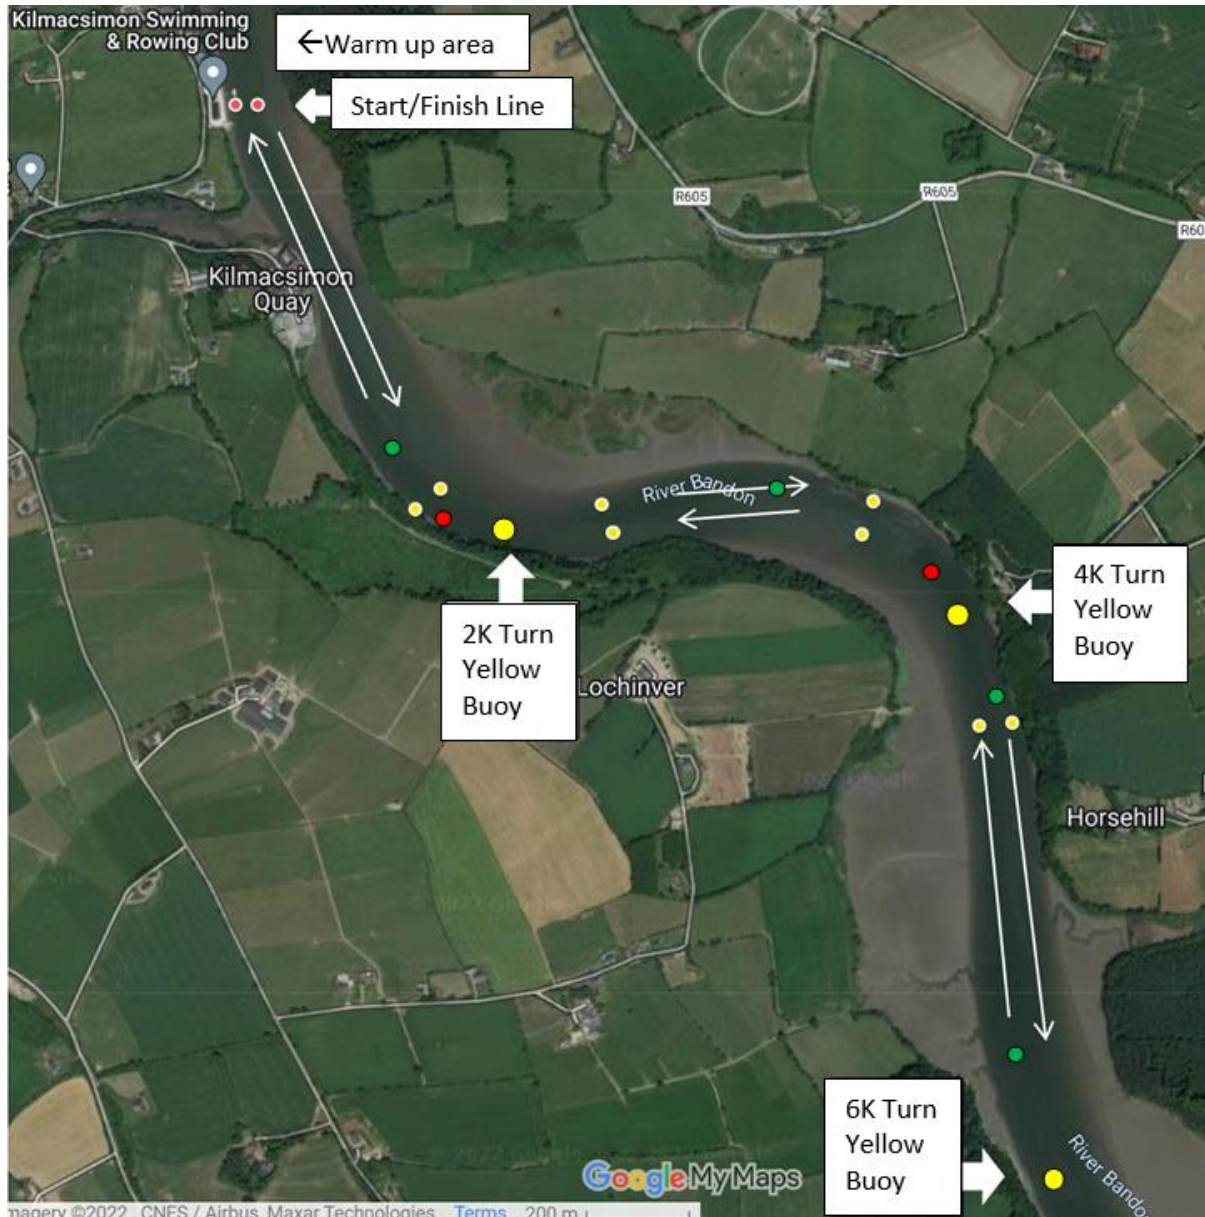

No charge for cox

Race Schedule:

Rowers and crews can row at any stage throughout the day. We are operating a **strict** sign in and sign out table. Prior to entering the water, a crew member must sign in at the main regatta table, which will be located upstairs in the community hall. You will receive a unique number that you **must show** to the starter when you are approaching the start line in your boat.

Do not cross the start line until the starter has announced your number. You will show this number again once you have passed the finish line at the end. Please return the number and sign out promptly following your finish at the main table upstairs.

Map and Course:

2k course: All Underage Coastal Crews

4k course: All Adult Coastal Crews, J18 C2x, J18 C1x

6k course: All J16 C4x, J18 C4x, Adult Offshore Crews

All crews must obey the race direction and row through all yellow gates. Crews should turn their designated **yellow** marker buoy. There will be a one way warm up area behind the start line, upriver of the clubhouse, in the same clockwise direction as racing. There will be race penalty implemented for missing the turn, passing the wrong side of the buoys, not going through the gates, not obeying racing direction, turning the wrong turning buoy, all other Rowing Ireland rules for Coastal and Offshore racing apply.

This information will be given at the club captains meeting in more detail. There will be a lot of racing on the river, please be aware of your surroundings and other racing boats. Any questions on the day please contact the main table. Race stewards will be on the water.

Boat number Offshore:

Due to tracker limitations associated the HOR style events, a boat number cannot be used twice for the same event.

If you wish to use the same boat for the same event more than once, please contact the regatta secretary and they will provide place holder numbers and correct the draw after the close of entries. Unique numbers will be allocated to crews racing on the day as outlined in the prospectus to avoid confusion.

Facilities:

Parking: All cars will be parked in a field adjacent to the clubhouse. Boats will be unloaded at the clubhouse and trailers will be parked in a yard near the carpark.

Toilets/Changing Facilities: Toilets, showers and changing facilities will be available in the clubhouse.

Food/Beverage: There will be a shop on the day selling soup, sandwiches, cakes, tea, coffee, water etc. Please note, the shop can accept cash only.

Payment Details:

Clubs must pay in advance via **bank transfer**.

Kilmacsimon Swimming & Rowing Club

Acc. No. 10483051

Sort Code 93-40-46

BIC AIBKIE2D

IBAN : IE22 AIBK 9340 4610 4830 51

Award Ceremony:

Award ceremony will take place at the end of the day.
Winners will receive either medals or a pennant.

Declarations:

All entries will be assumed declared unless the regatta secretary is informed of a crew withdrawal prior to the captains meeting. During the event all withdrawals must be submitted to regatta control in writing.

Safety:

All boats must be safety compliant, and the correct equipment inspected prior to launching, this includes crew life jackets present in the boat, tow rope and other safety equipment. It is the responsibility of each individual club and crew to ensure all athletes are capable of handling weather conditions on the day of the event.

All crews must be aware of the permanent red and green marker buoys located along the river (see course map). These buoys were not set by the rowing club. If a crew is visibly struggling in conditions, a safety boat can help the boat or remove them from the race for their own safety. If conditions worsen throughout the day, the regatta may be delayed allowing for conditions to improve. Clubs will be informed of all decisions as they happen. Please obey stewards on the water and on the pontoon/slip.
