

Craigavon Lakes Regatta 2022

Regatta Cancelled

As most clubs will be aware, due to organisational difficulties the Ulster Branch has regretfully decided to cancel this year's Craigavon Lakes regatta.

The event will return to the Rowing Ireland calendar in 2023 and we look forward to welcoming clubs back to the lake then.

Many thanks to all those who have provided support and assistance in preparing for the regatta.

David Webb
Regatta Secretary
