

QUB Head of River 2024

QUB Head 2024 – SAFETY POLICY & STATEMENT

Queens Head of the River is run in accordance with the Rowing Ireland Safety Guidelines for events along with the relevant aspects of the Water Safety Code. The Race Organisers are committed to running the event in a safe manner.

EVENT ORGANISER - John Armstrong

SAFETY ADVISOR – Ryan Carney

MEDICAL ADVISOR – Ambutran

POLICY

It is the policy of the Organisers to encourage water safety awareness throughout the event.

INTENT

It is the intention of the Organisers to implement its own safety policy and to provide an example to participating clubs by creating a safe environment during the event.

METHOD

All rowing to be conducted in accordance with current Rowing Ireland rules. Event details, course map and other relevant information to be circulated to the club secretaries of each participating club. All participants should be aware of this policy.

SAFETY

All rowing to be conducted in accordance with current Rowing Ireland safety guidelines.

Checks will be made by marshals to ensure equipment is safe – including for example secure, correct type bow balls fitted, suitable heel restraints, general boat condition, etc.

- Coxswains must wear suitable flotation aids.
 - All Coxswains, Steerers and Coaches must familiarise themselves with the course map and guidance that will be issued to each club and displayed at Queens University Boathouse
- Safety launches will be on the course throughout the event. The launches will have the necessary rescue equipment. First aid will also be carried on the launches. All officials will have details of how to deal with an emergency.

First Aid will be available from the safety launches and Ambutran will be providing a mobile unit between the start and the finish and at Queens University Boathouse at the end of the event.

Incidents – event officials will be instructed to report all incidents where safety is

compromised

Emergency Services – event officials will have details of the nearest hospital with Accident & Emergency facilities. Access routes to be kept free.

Communication – event officials will be in Radio contact with each other, the safety launch and Ambutrans. Mobile phones will be used as back-up. Marshalls will have a list of contact Numbers

RESPONSIBILITY

In accordance with current guidelines it is the responsibility of each participating club committee to ensure the safety of their members while participating, including knowing what to do in the event of a capsize, being competent to compete and wearing appropriate clothing for the weather conditions.

The above will be reinforced at a compulsory steerers briefing before the start of the event.
