LIMERICK REGATTA 2026
Saturday 25th April

Dear Captain/Secretary,

Limerick Regatta are delighted to invite your club to participate in the first day of an exciting weekend of 2 days of racing in Limerick. Limerick Regatta will take place on Saturday 25th April, followed by the return of Schools Regatta on the Sunday. We are delighted to announce that this year we are one of the five regattas selected to be part of the Waterways Ireland 'Row for it League'. We look forward to welcoming athletes, coaches, supporters and spectators in what is hoped to be an exciting weekend of racing.

PLEASE NOTE THE FOLLOWING POINTS:

1. The Regatta will be run under the Rules of Rowing Ireland.

2. This is a **Non** Status Regatta.

3. Entries through Tracker close on **Thursday, 16th April, at 19:00**. The draw will take place automatically on Tracker and should be visible as soon as entries close.

4. To avoid a recurrence of the situation in 2024 where we had to cancel a significant number of events due to the enormous entry, we are maintaining the same offering as 2025. There is also a restriction in J16 and J18 doubles which are limited to 2 crews per club. It is recommended that no individual competes in more than one event in Section A and in Section B. No individual may compete in events where the final times are scheduled less than one hour apart on Saturday.

5. Heats will be held in the same order as the finals, where possible. Please see below for the list of events and the order and approximate timetable for the finals. Whilst we will attempt to adhere to the order shown, the Regatta Committee reserves the right to alter/amend the Regatta Programme if necessary.

6. This is a 4-lane buoyed course.

7. Entry fees are - Eights €80, Fours/Quads €40, Pairs/Doubles €20. **No partial payments will be accepted. The payments are by club total.**

8. Junior 13, Junior 14, Junior 15 and Masters events will be run as multiple straight finals. For Junior 16 and Junior 18 events with 16 entries or less, these will be run as heats and finals. For these events with more than 16 crews declared, there will be time-trials with the fastest four crews advancing to the Final.

9. It is the policy of Limerick Regatta that if the regatta is cancelled for whatever reason, we will give a full refund of all entry fees received.

We shall be pleased to let you have any further information that you may require, and we look forward to receiving your entry. If you have any queries, please contact limerickregatta@gmail.com
