Cork HOR 2024

Firstly, we would like to thank you all for your patience and co-operation on the day. We were dealing with very difficult circumstances, many beyond our control. Consequently, we have taken longer than usual to go through and check the times. We have recovered as many missing times as possible; the rest were not recoverable as some crews lost their bow numbers along the way.

Fixed Head 2: www.raceclocker.com/2b1783e7

* In the middle of Fixed Head 2 we had to change the starting position, this was beyond our control. As a result, we have decided to divide the affected categories into two separate heads, one long course and one short course. These categories are; Men's Club 1x, Men's J18 1x and Men's J16 1x. A pennant will be awarded to the winners of the short and long course for each of these categories. The remainder were unaffected by the change.

Rolling Head / Timing Only: www.raceclocker.com/e8c3b985

* There were only a small number of crews in the rolling head that raced before the change in course. Most of these crews were timing only, with the remainder being a sufficient distance behind the winning times in their category. We have made the decision to let the rolling head results stand as they are.
