

# NEPTUNE ROWING CLUB

## PARKING ARRANGEMENTS FOR PARTICIPATING CLUBS COMPETING AT NEPTUNE REGATTA 2025

Dear Captain/Secretary

I request your co-operation in complying with certain restrictions as to the use of facilities at Garda Boat Club and UCD Boat Club on the day of the regatta.

Neptune RC have agreed arrangements with GSBC for the use of the field adjacent to the clubs Carpark and Lawn. The following conditions should be observed and respected:

- Clubs allocated to GSBC (as per the list below) may park Trailers and towing vehicles in this field, (and as per normal practice, boats once assembled may also be left on trestles).
- Clubs located here have use of the slip at GSBC. Access to the slipway is easily attained through a parting in the fence and across a cordoned section of the grass area close to the river.
- The facilities in GSBC Clubhouse and Boathouse are **NOT** available to any members of the competing clubs (and I ask for your **FULL** co-operation in this matter in respecting the requirements of GSBC).

For Clubs stationed at UCD Boat Club, you will be allocated an appropriate space for your trailer in the car park. We request that you maintain a tidy area and respect the UCD premises. You will have access to the UCD slip to launch for racing, but please ensure the storage of your boats/equipment does not impede the normal operation of the UCD Boat Club.

Marshals from Neptune will be in attendance on the day to direct clubs to a suitable parking spot and to provide any other assistance /guidance with the arrangements outlined above.

For the convenience of competitors, Portaloos will be sited in a suitable location in the field at Garda and at UCD and be also advised that the facilities at Neptune (including catering) are available to all.

There will be limited parking available on the roadway outside the clubs. However, free parking will be available from 1.30 pm in the grounds of St. Brendan's GAA club just beyond GSBC.
